

# THE ELIAS FAMILY

In 2011, Raymond Rees (Elias Family) was awarded an MBE by HM The Queen for Services to ***Coracle Heritage and Inland Water Fishing in Wales.***

Keith Elias and Joe Woodhead are now the youngest generation of Elias coracle fishermen.

Raymond's son, Malcolm, fishes with Dai Elias.

Today, keeping the tradition alive, the Elias family still fish the River Towy and make coracles in ***Danybanc.***
