

# Grand slam glory

As Wales won the grand slam,

I was cheering in the crowd.

I was so happy and relieved,

I felt so brilliant and proud.

I was getting their autographs,

Sam ,Gethin, Alyn and Dan.

I showed them to my dad at home,

because he is a massive fan.

On Monday I got back to school,

And played rugby with my mate.

I scored a try just like North,

It was really great.

And now each night,

When I go to bed,

I dream of grand slam glory,

And beating England to win the cup,

Now that would be some story!
