

Dear Mother

I am very sorry to have kept you so long without letting you know that I had the money alright. I have had the photographs and am sending you this one until I can think of a way of sending you two large ones. Cannot even find enough brown paper to pack them up, and when you do get them I want you to give one of them to Auntie Winnie. I have already given four ~~of~~ post-cards away, so by the time I have gone round them all there wont be many left. There are poor hopes of me getting my discharge before Christmas, but you never know what will happen in a month. My arm is still discharging a little, which means that there is more dead bone to come out. Went for a long motor ride to-day and it didn't have brace me up, and I also went to Brown last Saturday with nearly broke me. Hope you are all quite well, especially Winnie.

love to all. Jack

Send me a pair of gloves, my hand  
gets very cold, and I got the bags  
alright.
