

St. Hilary 2000

# Golden Jubilee Celebrations

April 2002

**Monday 3<sup>rd</sup>. June late afternoon and evening is when there are to be celebrations on the Village Green.**

**Bouncy castle**

Is likely to be on the green. Together with a treasure hunt and a drawing competition and possibly even a pet show. Anyone volunteer to be a judge?

A real involvement of all villagers is hoped for. We will be organising a barbeque with us providing all the meat, (but bring your own fillet steak if you prefer) and everyone bringing their own salads etc complete with plates and cutlery. You can put a bit of wool around your own cutlery if you wish to show the younger members how it was when street parties were held when the Queen came to the throne.

We hope to be giving away a barrel of beer, a pint at a time. Llanfair Council are kindly supporting the event with £150.

Commemorative Mugs are being ordered and will be given to every child under 16 and more available to other for £5 but these will not be ready until later in the year.

We are hoping to have permission to have a beacon lit near the clump just after dusk to finish off the night.

Make a note of the date in your diary

**More information to follow**
