## *Chairman's Letter*

In this our third year of organising a Festival Week in Cowbridge I would like to outline our hopes and ambitions for the future and our achievements of the past.

We have provided children's swings, a Jungle Jim, metal rocking horse and planted shrubs in the children's playground at a cost of approximately £250. We have given £50 to Aberthin to help provide equipment in their playground and also set aside £50 for Llanblethian when they have a playground.

We have also provided the Christmas Parties for the children of the district.

This year our target is £1,000 our project is to provide something for the Youth of the area.

On behalf of the Committee I would like to thank all organisations and individuals who have helped in the past and who have again offered their help this year.

**ROY EDWARDS,**

*Chairman Entertainments Committee.*

The Bear Hotel, originally named The Bear Inn, stands on the Roman road that runs through South Wales. Parts of it date back to the 15th Century and it was well known on the Stage-coach route from Swansea, the court-yard and original archway are still in evidence.

At the moment The Bear is being altered to provide greater comfort for travellers, but with great care to preserve all that is left of the original.

# Bird's modern garden shop

You will find every gardening need from spades to seeds, fencing to flowering plants, mowing machines and rotary cultivators to Halls' Cedarwood Garden Sheds and Greenhouses, all in stock under one roof, all backed by Bird's after sales service. You can discuss any horticultural problem with our qualified Manager Mr. Michael Caldicott, who will be pleased to give you sound advice on all aspects of gardening. Come to Cowbridge and look around at leisure, there is plenty of parking space, and the Garden Shop is open Monday to Saturday 9 a.m. to 6 p.m. On Wednesday the shop is open from 9 a.m. to 1 p.m. but Bird's mower showroom directly behind the shop is open all day for your motor mower and cultivator needs.

Solve your 'present problem' by giving Bird's new Gift Vouchers for all gardening equipment, spare parts or servicing.
