Dear Headmaster,

Thank you for your letter of 28<sup>th</sup> February, outlining your splendid project to create a living record of Cowbridge schools.

Recording the past is a subject in which I am deeply interested, and delighted to be invited to contribute anything I have which may be thought suitable. My Mother & I gave the then

Headmistress the ~~monument~~  
Ceremonial Key of the Girls  
High School, into which my  
Gt. Aunt, Lady Franklin  
opened the doors, about  
seven years ago - so I  
expect it is in a safe place  
until a whole collection can  
be displayed.

I am sure I have early  
photographs, which may be of  
interest. Attics are for  
Archives, so next time I am  
up there I will make a search  
& be in touch with you to  
show you the findings.

Yours sincerely  
Elizabeth Giles.
