Chairman's Letter

In organising the programme for Cowbridge Week 1971, we have tried to provide a variety of events which we hope will give you much pleasure and entertainment.

Last year, as in previous years, thanks to your enthusiastic support, the week was a great success. Unfortunately, however, our efforts during the past year have not been equally successful, since our ambition to provide some form of Youth or Community Centre has not yet been realised. We attached considerable hope to expected Local Authority development which we believed would help us to achieve our aims, but up to the present time this has not materialised.

However, on 5th November 1970, we presented for the first time a Bonfire and Firework Display which was thoroughly enjoyed by a large crowd of young and old children. We have assisted the Local Council in preparing the football field which is now available for the juniors, and a Christmas Concert was provided for the children of the town and surrounding districts.

We are endeavouring to press on towards our main objective and I hope you will once again give your support to the events.

I wish to thank the members of my Committee for their untiring efforts and to thank on their behalf all organisations and individuals for their valuable support.

W. JOHN JAMES
Chairman, Entertainments Committee

Lucky Programme

A Lucky Programme Number will be displayed each day outside the Town Hall. The holder of the Programme may claim a £2 prize by producing the programme at "Talbots".

Claims may be made up to 14th June.
