Dear Sir

Owing to the sudden
resignation of the Liberal
Government & the early date
fixed for the polling in
this Division I have not
had adequate time to address
many political meetings
& I had previously resumed
my duties as a Soldier
in which I was only ab-
sented on the 30th of
last month prevented
me from commencing my
campaign at an earlier
date so I trust that

ose Electors whom I have
not had the pleasure of
meeting, will accept
this as sufficient excuse
& that they will for
the elect -
Many of the happiest
years of my life have
been spent in such
glamorous & if elected
as your Member I will devote
the whole of my time
to further the interests of
all classes in the
Division -

I trust I may have the
honour of receiving your
vote & interest

I am Dear Sir
Very faithfully yr
W W Goddard Esq
