<b>Research Document:</b>	14 & 16 Eastgate, Cowbridge
<b>Accession Number:</b>	chs01891

Cowbridge History Society <u>Research Documents</u> are compilations by the Society of information on particular properties or other topics taken from various sources. They may be updated as additional information becomes available, and being in 'Word' format are searchable (for example for surnames), using 'Find'.

Most of the information was researched and assembled by study groups led by Jeff Alden during the period 1997-2007. The Cowbridge Record Society was established in 1999 to publish books using this research, such as 'Cowbridge Buildings & People' and 'Llanblethian Buildings & People'. The Society later merged with the Cowbridge and District Local History Society and is now 'Cowbridge History Society'.

Future editors are requested to identify changes they may make in accordance with CHS guidelines.
