Dear Nelson:

Our Steering Committee which is making plans to host another National Gymanfa Ganu in Utica, is awaiting word from you as to the earliest date that is available.

When conversing via phone - mentioned that our first choice would be 1996 but thought that was tentatively booked. Was sharing your proxy greetings unto Norman and Marion Williams at our St. David's Banquet on Sunday evening, and he related that if we waited until 1998, he would be in a wheel chair!

As soon as you know of an available date - please contact me and we'll commence from there.

Sincerely,

Stephen Reese

Dear Rev. Reese:

Thank you very much for your letter regarding your society wanting to sponsor the Welsh National Gymanfa Ganu in Utica, NY in 1996.

Your letter arrived at my home April 16th, the day that our board was meeting in Petersborough, Ontario.

I did report to the board that you and I had been in contact via telephone and that your society was definitely interested in the sponsorship for 1996. This information was received with much interest and the board is very anxious for you to proceed with the planning necessary to sponsor a National.

As I mentioned during our phone conversation it would be wise for you to set a time for your committee to meet very soon and invite myself and our President and or V. President to the meeting. We would then be able to discuss plans made to that date, answer questions you might have and be off to a running start. You would then be able to proceed and prepare for your presentation to the board at our next meeting September 3, 1994 in Bellevue, Washington.

I would suggest that you talk with the hotel people and the auditorium people and tentatively book both places. The year 1996 is coming up very fast.

I have been trying to call you this morning but there is no answer.

We look forward to meeting with you and the committee very soon. It might be helpful if you would give us two different dates to choose from. I very much look forward to either talking with by phone or receiving a letter. Diolch!

Sincerely,

g

Dear Nick:

Appreciate the opportunity of meeting with you and Cindy Dardano on May 25th to discuss plans for having the Radisson Hotel as the headquarters for the 65th National Gymanfa Ganu to be held in Utica on August 29-September 1, 1996. Thank you for your hospitality and endeavors to help facilitate this event.

On Saturday, June 11, 1994, Dr. William John Lewis, Vice President; and Nelson L. Llewellyn, Secretary of the Welsh National Gymanfa Ganu Association, will be in Utica to meet with our Committee Members. Dr. Lewis and Mr. Llewellyn will be staying overnight on Saturday at the Radisson Hotel, reservations R9730369 and R9730463 have been made in their names. Trust that consideration would be given to offering them complimentary rooms.
