Hello Keith,

Thank you for the offer to chair the AWO Meeting.

As it happens, Dic Baskwill sent me an email asking what he could do, on the same day Berwyn said he couldn't host the meeting. I assumed (perhaps incorrectly) that it was my responsibility to find a replacement.

I thought Dic would be a good choice to chair the meeting as he is the incoming President, and I thought he should hear what the other groups are concerned about. Dic accepted my invitation and will discuss topics with John Ellis who also may attend, time permitting.

If you would like to be there also, by all means you are welcome. I think it is important to have good communication between the WNGGA and the local groups.

However, I have checked the timing and you may have a conflict. The AWO meeting is scheduled from 3 - 5 p.m. on Saturday, and the Eisteddfod is from 1 - 5 p.m. Saturday. As the winners concert is at the end of the Eisteddfod, it looks like the two events will overlap.

There will be lots of other jobs to do in Buffalo, so if you don't mind, I'll be in touch later with other suggestions.

Sincerely,  
Myfanwy

Berwyn,

Here's an idea. How about Dic Baskwill?

He sent me a message today asking if there was something he could do, and I've asked him to look after this. (No response yet)

I thought he would be a good choice as he is the probable incoming President. That would give him ideas for his term in office and show some seriousness on behalf of the WNGGA>

Ok, we can do this. We will send out a letter with the registration booklet to the AWOs asking them to let us know if they plan to come.

Yes, you would be an excellent person to lead the AWO meeting in Buffalo, John.

In preparation for the two previous meetings that Berwyn and I lead, THE HEADQUARTERS OFFICE took all responsibility for sending letters to the AWOs beforehand advising them of the meeting.

We have approached this topic before, and no one feels that they are in charge of this. Is it Lynn, Myfanwy, John, Keith, or whomever? Last 2 years, Ellis Jones has contacted us to do this.

Anyway, Martha and I expect to be too busy with our other duties at Buffalo to conduct the AWO summit meeting, So please, SOMEBODY take charge and tell me who will be running the AWO meeting so I can put their name and the title of the discussion in the Registration booklet text I am preparing!!!

Hi Martha,

I don't think I could appoint someone to do this- Myfanwy would probably be the person to do that. However, if someone from the Buffalo committee organizes the meeting (ie., communicates with and assembles the representatives of the AWOs for the meeting), I might be able to run the meeting personally. As a matter of fact, I think this would be a good role for the executive director, providing there is nothing scheduled at that time that demands my presence as an official. If I ran the meeting, perhaps the theme could be "The Role of AWOs in the WNGGA"- we could focus on the (developing) role of the AWO in WNGGA governance and NAFOW, WNGGA assistance to AWOs, and how AWOs can help the WNGGA.
