

## COME TO TORONTO IN 1982!

The 1982 National Gymanfa will be held in Toronto for the fourth time and your hosts will be Dewi Sant Welsh Church the only Welsh church in Canada.

The dates are September 3rd, 4th and 5th and the headquarters will be at The Westin Hotel in the heart of downtown Toronto.

Dewi Sant Welsh Church will be celebrating its 75th anniversary in 1982 and it is fitting that the Gymanfa dedicated to praising the Lord in song will be one of the major events of the year. A highlight of the Gymanfa will be a pageant tracing those milestones of worship in the Welsh language.

The children of Dewi Sant will form the nucleus of the Awr y Plant entertainment on the Saturday afternoon. This has become a fine Ontario tradition and any child is welcome to participate.

A Banquet with special entertainment will be held on the Saturday at the Westin Hotel one of Toronto's newer hotels. A light and sparkling programme has been arranged to complement the banquet.

On the Sunday not one, but two, Morning Worship services will be held - one in English at the hotel and the other in Welsh at Dewi Sant Church. The timing will be such that you can attend both services. Transportation will be arranged.

The highlight of the weekend - the Gymanfa Ganu on Sunday afternoon and evening - will be held at Convocation Hall. This is on the campus of the University of Toronto and, with its circular auditorium and fine pipe organ lends itself beautifully to a Gymanfa.

Toronto is one of the most attractive cities in North America. It is one of the safest and one of the most friendly. The Toronto Welsh, and in particular the members and friends of Dewi Sant Church, look forward to welcoming you to the 1982 National.
