

N.G.G.A. TOUR
TO VANCOUVER.1980.

Vancouver
1980

Dear Traveler.

After spending a few hours Tuesday 1-8-80, calling the tour people including the Air Lines concerning our trip to Vancouver, we learned that the fares will increase between now and departure time, as a matter of fact we know as of February 1st there will be an increase with the possibility of another in the summer due to the energy crunch, however, if we were able to purchase our tickets at this time we will be assured that we would not have to increase our cost at a later date.

The cost we estimated as of the above date to be:

\$750:00 per person based on two, to a room.

\$894:00 for single occupancy.

In other words what I am trying to say is, if you feel you can pay in full at this time it would lessen the chances of an increase at a later date.

Hope I have made it clear enough.

Sincerely

Jack Meadows.
