Dear Nelson,

I am sending copies of our program for both sessions of the Gymanfa, as you requested.

I have a concern about the sale of new Gymanfa hymn books. Our committee would like to have some of the new books available, but question buying a large number of them and having them leftover. Could we have a number, say 200, on consignment? Any unsold could be returned to you at the end of the weekend. Please let me know if this would be possible.
