Dear Melvin,
 At a meeting of our group —
 the Steering Committee — agreed that we would
 meet in September following our return from
 the Cincinnati national. The meeting will
 be held in the First Welsh Presbyterian Church
 where we met with you earlier this year.
 Perhaps this date would be a good time for
 your coming and addressing the questions
 you have in mind. On the other hand,
 if you want to try to have a summer
 meeting, give me some possible dates. We may
 not be able to have a full complement, but I'm
 sure the Steering Committee would be available.
 I do believe such a meeting should be before July 21, 1991.
 I myself may be going to Wales shortly after that date.
 Minutes of our three meetings will
 be arriving shortly. They are available.
 Let me know how we can help

Dear Dr. Roberts:

Thank you so much for your letters which I received about the time the first mailing for Cincinnati was being prepared in this office.

It is good to know that you have officers and a steering committee in place and I do hope that the secretary will be recording proceedings of each meeting of the body and that you will see that I receive copies of the minutes as soon after the meetings as possible. Diolch!

Soon it will have been one year since Paul Stevens and I visited in Wilkes-Barre with the group that was to consider sponsorship of the Welsh National Gymanfa Ganu for the year 1993. We certainly did enjoy the meeting and of course it was good to see and hear the follow up of that meeting when your representative, Walter George appeared before the board meeting in Victoria to present the invitation which was received with much enthusiasm.

I very much look forward to working with you and the committee as you proceed with plans for 1993. In this regard, it would be most helpful to set up a meeting with you and some of the officers some time this summer. Do you think this would be possible? There are probably many questions which need to be addressed. Would you please consider this matter and let me know what the possibilities are.

One issue that must be considered is that many things have changed in the ten years since the 1983 National in Wilkes-Barre.

I look forward to hearing from you.

Sincerely,

Nelson L. Llewellyn, Secretary
