MRS M D. THOMAS.

SALT LAKE CITY, UTAH

DEAR ANN.

Sorry to have missed your phone call, I was making the rounds of the court rooms at that time, however I am mailing under separate cover the lists you requested, please keep them intact.

I recieved an advanced copy of 'F Drych', what a wonderful spread indeed, I must say that nothing has been spared for the making of a wonderful Gymanfa Ganu thank you very much. Mrs Meadows and I visited George Bundy on the 7th and I taped part of our conversation, with him saying how the good Dr alway's greeted him with a hug and a kiss, Ann you will have to hear it. We should arrive in Ogden about 8:30 P.M. on the 26th, then just as long as it takes to reach the Hotel. Every one here is looking forward to a marvelous Gymanfa and all that there is to see in Salt Lake City. So once again Ann all the very best to you and the Dr.

Duw a'ch bendithio @hwi eich dau.

Jack.
