Hi Jack,

Enclosed find Money Order for \$ 52.00 being annual dues for the 26 names on attached list.

Will you please ^{send me} anything pertaining to any arrangements affecting the trips or flights to Cardiff.

All the People on the Coast look to me for official information regarding the National Gymanfa Ganu, from Northern California Portland. Seattle. Spokane, Victoria, Powell River, and of course here in Vancouver.

We have not heard anything from the Tourist Board, even after Two air mails, and you may be sure that we will not hear anything from eastern Canada, so please Jack fill in the void.

Question??? Will the visitors have to be members of the N G G A or, will thier registration be sufficient to admit them to the Gardens

Sincerely

Jack.

The National Gymanfa Ganu Association of United States
and CANADA.

Hi Jack.

November 6-68.

Enclosed find M O
for 6 new members. #12 ⁰⁰/₂
I am telling all who wish
to attend the National in Cardiff
that to be sure to get a seat
They must be members of NCGA
This was verified by a lady
here whose 2 nieces are
unable to obtain tickets there
now. Will you please send
me the membership cards
and I'll fill them in at
our meeting of Dec 3. I have
20 going direct from Portland as
a group, and the Seattle people
will be leaving here with us.
Apparently I have barely
scratched the surface yet, as
there so many Welsh here now
coming of more each day.
Good Luck Jack. over

Jack Received this letter returned from old address
hence 2 M.O. The names attached
send me cards, No word from Tourist Board
re money received. At least 2 Plans out
of L.A. not all for Gymnasia. I am still
taking insurance deals.

Jack,

Dear John

10/28/68
First let me congratulate you on the fine job you are doing. I wrote to ~~the~~ Trustees but no reply as to what their plans would be, so keep up the good work. I'm happy to see your name among the group who will be in Wales next year.

We in young have one charter flight filled with 152 passengers - and also 40 more toward an affinity group - so I would say we should have over two hundred from this area come departure time. The affinity group will leave June 24 returning July 24th - I think the charter will leave June 25 and return July 28th, also we have blocked off 50 double and 10 single rooms in Cardiff hotels with a check of \$500 to cover. Toronto has a 167 Sexton Detroit has four groups going Chicago is working on a group. Pittsburgh also has a group going so all in all it looks very good. I want to thank you for the check of \$52.00 for memberships - we are doing very good along those lines. Now to answer your question - only members of the N G A will be allowed reserve seats in the Sophia Gardens for the Gymanfa of which they are blocking off 1000 seats, all others will take their turns - the same applies to seats on the investment route. Concerning the new members if you will supply me the names and addresses I will issue cards to them, or I can send them to you.

for distribution, whichever is more
convenient for you.

Very sincerely yours

Jack Meadows
