Cymru
Croeso

More ideas were discussed at the meeting - Carolyn handed out a pattern for a wind sock in the shape of a leek, she also had ideas for paper mache sheep, perhaps a coloring book, a calendar with dates of Welsh events notecards, postcards; Elizabeth brought a dragon hat she'd made on her knitting machine and ideas for making Xmas stockings; Barbara had ideas for weaving purses and place mats; Gretta had made some sweaters with a dragon embroidered on the front and some tea cozies; Amy had been experimenting with cross stitch patterns; Jackie handed out knitting patterns for a Welshman Doll and would find out where the Swedish group gets their t shirts; Phyllis had a contact who decorated slippers.

The meeting was a very productive one with many different ideas. Pricing the goods needs to be considered carefully as we do not want to over price.

Next meeting scheduled for February 16.
