Dear Linda,

As you can imagine, the excitement is building here in Seattle and North America with everyone looking forward to our National Gymanfa Ganu Festival in September of this year. I write to welcome Plethyn to our festival and to thank you very much for agreeing to be an essential part of our activities. The reputation of Plethyn has preceded you and we are absolutely delighted that the group is coming.

I know that Tim Dyck has been in contact with you and is continuing to correspond. Tim will keep you informed of all activities through the rest of the year. I would ask however, that you make contact with the Welsh tourist board as soon as possible. I met with Paul Loveluck while I was in Wales two weeks ago and he and his team are already organizing their activities and support. The address is P. E. Loveluck, Chief Executive, Ty Brunel, 2 Ffordd Fitzalan, Caerdydd, CF2 1UY (or the English version).

If there is anything that we may need to do to help at this end, please do not hesitate to contact either Tim or myself. So, once again, Croeso i'r Bellevue, we very much look forward to meeting and hearing from Plethyn in September.

Pob Hwyl

Alan Upshall, President.

Dear Nancy,

Last week my executive board met to discuss the selection of the folk group to attend the 1994 national in Bellevue WA. The board voted to invite Plethyn and this group has accepted the invitation. Consequently we shall not be able to offer Cusan Tan a spot at the National Gymanfa Ganu. This decision has taken us a long time to make, a sign of its difficulty. Please convey my regrets to Cusan Tan. If you are able to arrange a tour for the group at a date some other time, say outside of six months before or after the National then the Puget Sound Welsh would be glad to be considered as a sponsoring association for a concert.

Please call if there are any further questions.

Sincerely

Alan Upshall, President.
