Dear Kim,

It is a pleasure to inform you that my board accepted your proposal to be the overflow accommodation for our 1994 Welsh Festival. The dates of the meeting are September 1 through 4, 1994. We are delighted that you will be part of our organization and event.

There are three issues that we should agree on:

1. The Hyatt has agreed to make the discount rates available for three days before and three days after the meeting dates. We would like you to do the same.
2. We would like to advertize the room rates for the Bellevue Inn as \$68 per night. We wish to increase the cost to provide funds for a shuttle bus service which we will have to run. The Hyatt has agreed to set up the cash back fund for us.
3. We would like you to provide registration cards for circulation to the anticipated attendees. At this time we do not know how many this will be. This card should show the \$68 rate.

If people do not use the registration card, I presume that on booking they will have to specify to you the name of the convention. Since many people know this occasion by different names can I suggest that anyone using a name involving the word Welsh be regarded as an attendee.

We look forward to working with you and to having many of our visitors stay at your hotel. I would be grateful if you could write up a contract for me to sign. There is no immediate rush, I have to leave town until the 20th November.

Sincerely

Alan Upshall, President and Chairman.

Alan,

Thank you very much for the concert tickets, they are very much appreciated and I am looking forward to the event!

I have noted that the Purdy's and the Jones' will be receiving the complimentary rooms. Are these VIP's or do you have anyone staying with us that you would like me to note are VIP's? Mr. Evans must have cancelled his room with us because I do not show a reservation for him at this time, so that is taken care of as well.

The hotel is very excited about having your group into the hotel. It should be a great weekend!

Let me know if you need anything else.
